This measure shall be known and may be cited as “The Marijuana Control, Legalization and Revenue Act of 2016.”

SEC. 2. Findings and Declarations.

- (1) The “war on drugs” has failed miserably, imprisoned the poor and minorities, and handed billions of dollars to criminal cartels and gangs.
- (2) Taxing cannabis sales will generate hundreds of millions of dollars in annual revenues for California health care, schools and law enforcement.
- (3) Legalizing and regulating cannabis sales to adults 21 years of age and older will make Californians safer by eliminating the dangerous importation, growing and selling of illegal cannabis.

SEC. 3. *A new Division 10, entitled “Cannabis Regulation and Taxation” (Sections 27100 to 28120) is added to the Business and Professions Code, to read:*

- (b) This Act implements a comprehensive, statewide scheme for legalizing, regulating and taxing the cultivation, processing and distribution of cannabis for social use. In addition, it is the intent of the People to accomplish all of the following:
 - (1) Prevent driving while impaired by cannabis and other adverse public health and safety consequences associated with cannabis use;
 - (2) Eliminate the public safety, criminal justice and environmental issues associated with illegally grown cannabis;
 - (3) Tax cannabis sales to improve the lives of all Californians;
